

# 1972 2022 50<sup>th</sup> ANNIVERSARY CONVENTION

The Indian Nations Chapter of POCI and the Hard Rock Hotel and Casino look forward to welcoming you to the 50th Annual POCI Convention in Catoosa, Oklahoma, July 12-16, 2022.

**WE WERE DISAPPOINTED WE COULDN'T SEE YOU LAST YEAR BUT WE'RE EXCITED TO WELCOME YOU IN 2022!**

**THE** Indian Nations Chapter of POCI welcomes you to Catoosa, Oklahoma for the 50th Annual POCI International Convention, happening July 12-16, 2022!

Catoosa is located in northeastern Oklahoma, not far from Tulsa, the second-largest metropolitan area in the state. This area has crowned itself "Green Country," a title which aptly describes the many rolling green hills, scatterings of pine forests and the state's largest concentration of lakes and state parks.

Our host hotel will be the Hard Rock Hotel and Casino, an extensive high-rise complex boasting 454 rooms and most all types of gaming, multiple restaurants, "The Joint" (offering stellar concerts with seating for 2,700),

plenty of room for our banquets and meetings, and an 18-hole golf course. A 65,000-square-foot expansion was recently completed.

Located approximately 10 miles east of the Tulsa International Airport, the Hard Rock Hotel and Casino is adjacent to Interstate 44 at 193rd East Avenue.

Security is always a valid concern at any convention venue, and here you'll find extensive roving patrols along with plenty of electronic surveillance.

The Indian Nations Chapter is the 38th chapter of POCI with approximately 65 members on our roster. Our members are quite excited to host this convention, expressing a sincere dedication to make this a memorable and fun event for the entire family... for the second time!

There have been a remarkable

number of changes and improvements to this region of the state since we last hosted a convention here in 2007.

Our car show, swap meet and parking will be on the grounds of the casino. We have planned several interesting bus tours along with an unusual Road Warriors cruise. The focus of many of our tours is on the

proud history and progress of the state. (Oklahoma became a state in 1907, uniting areas previously known as *Indian Territory* — primarily the eastern half of the state — and the *Oklahoma Territory* to the west which was settled by the famous land runs. The term "Sooners" stems from the actions of some settlers who jumped the official

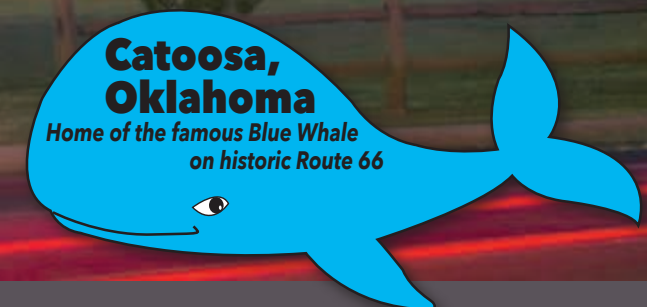

start of those land runs.)

In this area, Interstate 44 follows the path of Historic Route 66, perhaps the most glorified of America's earliest highways. Oklahoma has more miles of the original "Mother Road" in continual use than any other state.

And, it's nearly impossible to not mention the famous Blue Whale of

Catoosa. This iconic Route 66 attraction was built in the early 1970s by local resident Hugh Davis as an anniversary gift for his wife, Zelta, a collector of whale figurines. It has proven to be one of the most popular attractions along Route 66.

We look forward to seeing you in Catoosa, Oklahoma in July 2022! [in](#)
