

## Drag Racing Comes to Tulsa!

The Indian Nations Chapter of Oklahoma, in conjunction with the 48th Annual POCI Convention, is proud to announce the 2020 POCI Drag Races on Friday, July 10, 2020.

**I**t has been a long time since POCI has been able to offer drag racing due to a lack of facilities near our convention sites. This year's event, located just 15 minutes from our host hotel, will be held at one of the best tracks in the country and home to many NHRA Pro Stockers as a test site. Tulsa Raceway Park is an NHRA sanctioned track and we will follow all NHRA rules.

Spectators are encouraged! Track admission will be \$15 (kids 12 and under free). Gates will open at 4:00pm with eliminations starting around 6:30pm.

On-track participants do not have to be POCI members to race, but to enter elimination rounds, all vehicles must be either Pontiac, Oakland or GMC bodied.

With 10 staging lanes, we will be running four competitive classes and at least two "time-only" lanes for entrants.

All vehicles running the track — whether in a class or as a time-only entrant — must purchase a tech card from the POCI race tent located near the track tower. Payouts will be based on the number of participants per class and sponsor levels.

## 2020 Race Classes & Rules

**Fast 4:** To qualify you will need to run a 6.0 in the 1/8 or faster. You will be allowed up to three qualifying passes if needed. This will be a heads-up race running a 1/8-mile track. Entry fee: \$100.

**AFX-E:** This includes all vehicles running electronics regardless of your ET or tires. Tranny brakes are not considered electronic. This will be a bracket race running a quarter-mile track. No Cross Talk permitted. Entry fee: \$70.

**AFX:** This includes all vehicles not running electronics running 11.99 or faster regardless of slicks or DOT tires. Tranny brakes are not considered electronic. This is a bracket race run-

ning a quarter-mile track. Entry fee: \$70.

**Ram Air:** This includes all vehicles not running electronics running 12.00 and slower regardless of slicks or DOT tires. Tranny brakes are not considered electronic. This is a bracket race running a quarter-mile track. Entry fee: \$35.

**Time-Only Class:** This is open to all vehicles. There will be a lane just for Pontiac, GMC and Oakland vehicles. There will also be a time-only lane open to every make. Time-only lanes will be run in-between bracket rounds and when time allows. Entry fee: \$15.

**Buy Backs:** Allowed in first and second rounds, but only one buy back per vehicle allowed for the event. Buy backs can be purchased at the POCI race tent. Buy Back fee: \$20.

### In addition:

- NHRA safety rules apply to race event
- Long pants are required for all racers
- Helmets required where NHRA rules apply
- No speeding in the pits
- Be courteous to other racers and pedestrians
- Tulsa Raceway Park will furnish concessions

There is no rain-out date and all ticket sales are final with NO refunds. If the event is stopped by weather, the event is considered complete. Track officials have the authority to call the event if safety issues are of a concern. All final decisions concerning the event are the responsibility of POCI officials in charge of the event.

Time trials will start following the opening of tech inspection. A driver's meeting will be held following the National Anthem to discuss track rules and answer any questions.

Be sure to bring your family and friends out for a fun night of Pontiac excitement! **JIN**
